the six-month period immediately preceding the order of exclusion.

(b) Notwithstanding any exclusion of a physician, hospital, or provider of medical services or supplies under this subpart, OWCP shall not refuse an employee reimbursement for any otherwise reimbursable medical treatment, service or supply if:

(1) Such treatment, service or supply was rendered in an emergency by an excluded physician; or

(2) The employee could not reasonably have been expected to have known of such exclusion.

(c) An employee who is notified that his or her attending physician has been excluded shall have a new right to select a qualified physician.

### § 10.826 How can an excluded provider be reinstated?

(a) If a physician, hospital, or provider of medical services or supplies has been automatically excluded pursuant to § 10.816, the provider excluded will automatically be reinstated upon notice to OWCP that the conviction or exclusion which formed the basis of the automatic exclusion has been reversed or withdrawn. However, an automatic reinstatement shall not preclude OWCP from instituting exclusion proceedings based upon the underlying facts of the matter.

(b) A physician, hospital, or provider of medical services or supplies excluded from participation as a result of an order issued pursuant to this subpart may apply for reinstatement one year after the entry of the order of exclusion, unless the order expressly provides for a shorter period. An application for reinstatement shall be addressed to the Director for Federal Employees' Compensation, and shall contain a concise statement of the basis for the application. The application should be accompanied by supporting documents and affidavits.

(c) A request for reinstatement may be accompanied by a request for oral argument. Oral argument will be allowed only in unusual circumstances where it will materially aid the decision process.

(d) The Director for Federal Employees' Compensation shall order reinstatement only in instances where such

reinstatement is clearly consistent with the goal of this subpart to protect the FECA program against fraud and abuse. To satisfy this requirement the provider must provide reasonable assurances that the basis for the exclusion will not be repeated.

**Subpart A—General Provisions****§ 25.1 How are claims of Federal employees who are neither citizens nor residents adjudicated?**

This part describes how OWCP pays compensation under the FECA to employees of the United States who are neither citizens nor residents of the United States, any territory or Canada, as well as to any dependents of such employees. It has been determined that the compensation provided under the FECA is substantially disproportionate to the compensation for disability or death which is payable in similar cases under local law, regulation, custom or otherwise, in areas outside the United States, any territory or Canada. Therefore, with respect to the claims of such employees whose injury (or injury resulting in death) has occurred subsequent to December 7, 1941, or may occur, the regulations in this part shall apply.

**§ 25.2 In general, what is the Director's policy regarding such claims?**

(a) Pursuant to 5 U.S.C. 8137, the benefit features of local workers' compensation laws, or provisions in the nature of workers' compensation, in effect in areas outside the United States, any territory or Canada shall, effective as of December 7, 1941 and as recognized by the Director, be adopted and apply in the cases of employees of the United States who are neither citizens nor residents of the United States, any territory or Canada, unless a special schedule of compensation for injury or death has been established under this part for the particular locality, or for a class of employees in the particular locality.

(b) The benefit provisions adopted under paragraph (a) of this section are those dealing with money payments for injury and death (including medical benefits), as well as those dealing with services and purposes forming an integral part of the local plan, provided they are of a kind or character similar to services and purposes authorized by the FECA.

(1) Procedural provisions, designations of classes of beneficiaries in death cases, limitations (except those affecting amounts of benefit pay-

ments), and any other provisions not directly affecting the amounts of the benefit payments, in such local plans, shall not apply, but in lieu thereof the pertinent provisions of the FECA shall apply, unless modified in this section.

(2) However, the Director may at any time modify, limit or redesignate the class or classes of beneficiaries entitled to death benefits, including the designation of persons, representatives or groups entitled to payment under local statute or custom whether or not included in the classes of beneficiaries otherwise specified by this subchapter.

(c) Compensation in all cases of such employees paid and closed prior to January 4, 1999 shall be deemed compromised and paid under 5 U.S.C. 8137. In all other cases, compensation may be adjusted to conform with the regulations in this part, or the beneficiary may by compromise or agreement with the Director have compensation continued on the basis of a previous adjustment of the claim.

(d) Persons employed in a country or area having no well-defined workers' compensation benefits structure shall be accorded the benefits provided—either by local law or special schedule—in a nearby country as determined by the Director. In selecting the benefit structure to be applied, equity and administrative ease will be given consideration, as well as local custom.

(e) Compensation for disability and death of non-citizens outside the United States under this part, whether paid under local law or special schedule, shall in no event exceed that generally payable under the FECA.

**§ 25.3 What is the authority to settle and pay such claims?**

In addition to the authority to receive, process and pay claims, when delegated such representative or agency receiving delegation of authority shall, in respect to cases adjudicated under this part, and when so authorized by the Director, have authority to make lump-sum awards (in the manner prescribed by 5 U.S.C. 8135) whenever such authorized representative shall deem such settlement to be for the best interest of the United States, and to compromise and pay claims for any benefits provided for under this part,

## § 25.4

including claims in which there is a dispute as to questions of fact or law. The Director shall, in instructions to the particular representative concerned, establish such procedures in respect to action under this section as he or she may deem necessary, and may specify the scope of any administrative review of such action.

### § 25.4 What type of evidence is required to establish a claim under this part?

Claims of employees of the United States who are neither citizens nor residents of the United States, any territory or Canada, if otherwise compensable, shall be approved only upon evidence of the following nature without regard to the date of injury or death for which claim is made:

- (a) Appropriate certification by the Federal employing establishment; or
- (b) An armed service's casualty or medical record; or
- (c) Verification of the employment and casualty by military personnel; or
- (d) Recommendation of an armed service's "Claim Service" based on investigations conducted by it.

### § 25.5 What special rules does OWCP apply to claims of third and fourth country nationals?

(a) *Definitions.* A "third country national" is a person who is neither a citizen nor resident of the United States who is hired by the United States in the person's country of citizenship or residence for employment in another foreign country, or in a possession or territory of the United States. A "fourth country national" is a person who is neither a citizen nor resident of either the country of hire or the place of employment, but who otherwise meets the definition of third country national. "Benefits applicable to local hires" are the benefits provided in this part by local law or special schedule, as determined by the Director. With respect to a United States territory or possession, "local law" means only the law of the particular territory or possession.

(b) *Benefits payable.* Third and fourth country nationals shall be paid the benefits applicable to local hires in the country of hire or the place of employ-

## 20 CFR Ch. I (4-1-07 Edition)

ment, whichever benefits are greater, provided that all benefits payable on account of one injury must be paid under the same benefit structure.

(1) Where no well-defined workers' compensation benefits structure is provided in either the country of hire or the place of employment, the provisions of § 25.2(d) shall apply.

(2) Where equitable considerations as determined by the Director so warrant, a fourth country national may be awarded benefits applicable to local hires in his or her home country.

### § 25.6 How does OWCP adjudicate claims of non-citizen residents of possessions?

An employee who is a *bona fide* permanent resident of any United States possession, territory, commonwealth or trust territory will receive the full benefits of the FECA, as amended, except that the application of the minimum benefit provisions provided therein shall be governed by the restrictions set forth in 5 U.S.C. 8138.

## Subpart B—The Special Schedule of Compensation

use of each such member or part thereof, which awards shall run consecutively, except that where the injury affects only two or more digits of the same hand or foot, paragraph (c)(17) of this section shall apply.

(21) Other cases: In all other cases within this class of disability the compensation during the continuance of disability shall be that proportion of compensation for permanent total disability, as determined under paragraph (a) of this section, which is equal in percentage to the degree or percentage of physical impairment caused by the disability.

If the disability causes death, the compensation shall be payable in the amount and to or for the benefit of the following persons:

(a) To the undertaker or person entitled to reimbursement, reasonable funeral expenses not exceeding \$200.

(b) To the surviving spouse, if there is no child, 35 percent of the monthly pay until his or her death or remarriage.

(c) To the surviving spouse, if there is a child, the compensation payable under paragraph (b) of this section, and in addition thereto 10 percent of the monthly wage for each child, not to exceed a total of 66⅔ percent for such surviving spouse and children. (d) To the children, if there is no surviving spouse, 25 percent of the monthly pay for one child and 10 percent thereof for each additional child, not to exceed a total of 66⅔ percent thereof, divided among such children share and share alike. The compensation of each child shall be paid until he or she dies, marries or reaches the age of 18, or if over such age and incapable of self-support, becomes capable of self-support. The compensation of a child under legal age shall be paid to its guardian, if there is one, otherwise to the person having the custody or care of such child, for such child, as the Director in his or her discretion shall determine.

(e) To the parents, if one is wholly dependent for support upon the deceased employee at the time of his or her death and the other is not dependent to any extent, 25 percent of the monthly pay; if both are wholly dependent, 20 percent thereof to each; if one is or both are partly dependent, a proportionate amount in the discretion of the Director. The compensation to a parent or parents in the percentages specified shall be paid if there is no surviving spouse or child, but if there is a surviving spouse or child, there shall be paid so much of such percentages for a parent or parents as, when added to the total of the percentages of the surviving spouse and children, will not exceed a total of 66⅔ percent of the monthly pay.

(f) To the brothers, sisters, grandparents and grandchildren, if one is wholly dependent upon the deceased employee for support at the time of his or her death, 20 percent of the monthly pay to such dependent; if more than one are wholly dependent, 30 percent of such pay, divided among such dependents share and share alike; if there is no one of them wholly dependent, but one or more are partly dependent, 10 percent of such pay divided among such dependents share and share alike. (g) The compensation of each beneficiary under paragraphs (e) and (f) of this section shall be paid until he or she, if a parent or grandparent, dies, marries or ceases to be dependent, or, if a brother, sister or grandchild, dies, marries or reaches the age of 18 years, or if over such age and incapable of self-support, becomes capable of self-support. The compensation of a brother, sister or grandchild under legal age shall be paid to his or her guardian, if there is one, otherwise to the person having the custody or care of such person, for such person, as the Director in his or her discretion shall determine.

(h) Upon the cessation of any person's compensation for death under this subpart, the compensation of any remaining person entitled to continuing compensation in the same case shall be adjusted, so that the continuing compensation shall be at the same rate such person would have received had no award been made to the person whose compensation ceased.
